

Dear Friend,

We appreciate all the good work that you and your non-profit organization are doing for our community and would like to consider you for our Non-Profit Community Friends Program. Our mission at The Mother Earth Group is to “Nurture One Another, Our Community and the Earth.” As one of our Community Friends, we want to support your good community works by extending a 10% discount to your organization on catered events from Something Classic & Daisy Catering as well as dining experiences at our restaurant and café locations.

Please complete the following Community Friends Form and return this information to me via email to jill@somethingclassic.com and we will get started supporting your organization. Please reach out to other members of your organization to make them aware of our Community Friends Program. If you have any questions, please don't hesitate to contact me.

Every Best Wish,

Jill Marcus
President
